How Far Is Heaven?

Music and lyrics by Adrienne Foster Potter
Inspired by Thomas S. Monson in Oct 2010 Ensign

1. How far is heaven? Not far at all; it's there where all your beloved ones are;

2. How far is heaven? Not very far; it's there in the sky on a crystal star.

How far is heaven? It's up on the hill the
day.

sight in the night will give you a thrill.

How far? How far? Not far, not far at all.
